Tyndale Times

WEEKLY UPDATE

It has been another wonderful week at Tyndale, filled with experiences that truly reflect our values and exceptionally high expectations. Our Year 6 pupils represented the school superbly on their recent visit to the local library, where their impeccable manners, respect for others and engagement with learning were widely praised. Meanwhile, our Year 4 children are currently enjoying their residential at Wick Court and are having an incredible time—showing resilience, independence and collaboration as they take on new challenges and make lasting memories together. Moments like these remind us how proud we are of our pupils and the strong culture that underpins everything we do at Tyndale. Thank you to our staff for making these enriching opportunities possible and to our children for continuing to be outstanding ambassadors for our school.

LEARNING

It's been a fantastic week of learning at Tyndale Primary! Year 6 impressed us by sharing their scientific knowledge of light during their class assembly, while Year 5 have been busy publishing gripping monster stories inspired by Beowulf. Meanwhile, Year 4 have been pulled into their new Science topic, enjoying hands-on exploration with the force of magnets.

ATTENDANCE SPOTLIGHT

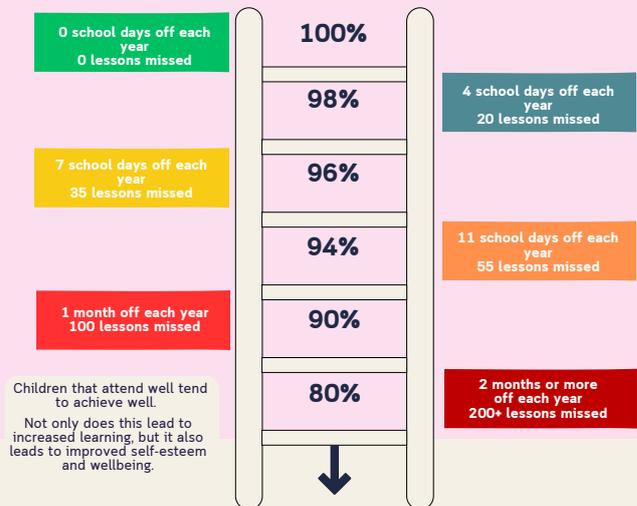

Absence from School

- Absence should only occur when your child is far too ill to attend.
- If your child is suffering from **Colds, Headaches, Tiredness** or **Sore throat** we would suggest that you administer paracetamol or ibuprofen and bring them into school, if their condition deteriorates, we will always call you.
- Family holidays and day trips must be arranged outside of school hours.
- Medical or dental appointments should be arranged outside of school hours, if this is not possible supporting evidence should be provided.

ATTENDANCE FOR THIS WEEK...

YEAR R	93%	YEAR 4	99%
YEAR 1	95%	YEAR 5	96%
YEAR 2	92%	YEAR 6	95%
YEAR 3	91%	WHOLE SCHOOL	94%

SEND SPOTLIGHT

Most SEND support happens in class. Many children are supported through classroom adjustments and targeted interventions, without needing an EHCP. Small changes can make a big difference. Ask your child's teacher which strategies are being used and how you can reinforce them at home.

CHARACTER SPOTLIGHT

The Performing Arts Society met to discuss ideas for World Book Day and, as a group, have decided to bring stories to life by reading a book aloud to the whole school during an assembly during World Book Day. This will give members the opportunity to develop their performance skills through voice, expression, and confidence, while sharing the enjoyment of reading with a wider audience. The presentation will celebrate storytelling as a key part of the performing arts and create an engaging, inclusive experience for everyone attending.
