Tyndale Times

WEEKLY UPDATE

What an exciting week it has been at Tyndale! On Thursday, we were incredibly proud to host our Beyond Boundaries Excellence Visit, welcoming school and Trust leaders from across Greenshaw Learning Trust to see The Tyndale Way in action. It was a fantastic opportunity to celebrate just how far our school has come and share the wonderful things happening in our classrooms every day. From our high expectations and ambitious teaching to the warm relationships, inclusive approaches and exciting opportunities we provide for our children, there was so much to celebrate. None of this would be possible without the dedication of our amazing staff, the support of our families and, most importantly, our brilliant children, who make Tyndale such a special place. A huge thank you to everyone who has been part of our journey. We have so much to be proud of - Team Tyndale really is something special!

Mr Crouch

LEARNING

At Tyndale, we are dedicated to developing our pupils' oracy skills over the next three years. Championed by Ms Lett - who is undertaking specialist professional development - oracy is being embedded from Reception upwards to give every child the articulate voice and confidence they need for success at school and beyond.

ATTENDANCE SPOTLIGHT

Absence from School

- Absence should only occur when your child is far too ill to attend.
- If your child is suffering from **Colds, Headaches, Tiredness** or **Sore throat** we would suggest that you administer paracetamol or ibuprofen and bring them into school, if their condition deteriorates, we will always call you.
- Family holidays and day trips must be arranged outside of school hours.
- Medical or dental appointments should be arranged outside of school hours, if this is not possible supporting evidence should be provided.

Children that attend well tend to achieve well.

Not only does this lead to increased learning, but it also leads to improved self-esteem and wellbeing.

SEND SPOTLIGHT

Routines play an important role in helping all children, particularly those with special educational needs, feel safe, secure and ready to learn. A consistent school timetable and clear expectations help children understand what is happening throughout the day and what is expected of them.

For some children, changes to familiar routines can feel overwhelming and may impact their emotions and behaviour. At school, we recognise that predictability, consistency and clear communication are key to helping children feel confident and successful. When children know what to expect, they are better able to manage their emotions, engage in learning and thrive.

CHARACTER SPOTLIGHT

I have been so impressed with the resilience and collaboration shown by all our children as they practise for their KS1 and KS2 Harvest Assemblies. The children are working brilliantly together and using their loud and proud voices! We can't wait to welcome parents and carers to share these wonderful performances with us.
