Tyndale Times

WEEKLY UPDATE

There is always so much happening at Tyndale, and this week has been no exception! It has been fantastic to spend time in classrooms, seeing children working hard, tackling challenges and taking pride in their learning. The progress being made across the school is a real credit to our children and the staff who support them every day. We were also delighted to welcome our Link Trustee, Kathryn Morgan, into school this week. It was a wonderful opportunity to share the journey we are on and the exciting developments taking place across Tyndale. Thank you to everybody that joined us for ARD - these meetings are crucial in ensuring we are working together to give your child the very best chance of success.

What is a parent carer?

A parent carer is a parent who cares for a child or young person who has any additional needs, disability or long-term illness – whether or not there is a diagnosis.

Parent carers often feel like they don't identify as 'carers', as they are first and foremost parents. But being a parent of a child who needs additional support means you are a carer

South Glos Parent Carer Forum (SGPC) can offer support, information and a platform to share your experiences about your child's special educational needs and disabilities (SEND) journey.
