Any child aged 5-14 can join the scheme. This scheme helps develop children's wider experiences and encourages children to explore a range of different extracurricular activities.

There are hundreds of companies local to us at Yate who already support Children's University, which your child may already attend such as scouts and brownies and local dance and sports clubs – they'll get rewarded for this too!

They can get further accreditation for activities such as reading challenges, museums, historical sites, school-based clubs and external clubs. **Each year, Children's University run an actual graduation each year to award their members (with actual caps and gowns!).**

Information about the scheme can be accessed here: <http://www.childrensuniversity.co.uk/home/learn-with-us/child-membership>

**The membership cost includes a single payment of £2.50 if you are in receipt of pupil premium or £5 if your child is not in receipt of pupil premium.** Payments can be made via Parent Pay.

**To register your child, please go onto Parent Pay and submit your payment.** Once we receive this, we will enrol your child into the Children's University and award their Academia Bronze badge.

We already have pupils at Tyndale who are doing amazing with this scheme! Their extra-curricular participation is enriching their life experiences and the benefits are having a positive impact on their progress at school and helping them to achieve "the best chance of success".

We look forward awarding some Bronze Academia character badges and to starting some new clubs after half term!

Kind Regards,  
Mrs K Borrill
