Dear Parents/Carers,

School Closure from Tuesday 5th January 2021

Following the Prime Minister's statement this evening, I am writing to confirm that the school will close on Tuesday 5th January 2020, for all pupils except for the children of key workers and vulnerable children.

Following the success of our home learning platform 'Edmodo' during the last school closure, I am confident that we have excellent provision in place for Tyndale pupils to continue to get 'the best chance of success' by learning from home.

If you need support to access Edmodo, or have forgotten your log in details then please complete [this form](#) and we'll support you in gaining access.

If you believe that your child falls into the vulnerable or key worker category, then please complete [this form](#) to register a place for your child at school from tomorrow.

If your child receives free school meals, you will continue to receive support. We will contact you later this week with further details.

Throughout the closure, the school will remain open daily from 8:40am until 3:00pm to the pupils who are eligible to attend and have registered a place using the above form. Pupils will need to wear their full school uniform and bring their PE kit in at the start of the week and take it home at the end of the week as usual. All pupils attending school throughout the closure will receive a free school meal but they are welcome to bring a packed lunch if they wish.

In the meantime, it is essential that all pupils continue to work hard from home using our home learning platform to ensure that the excellent progress they have made since September continues. Pupils can work into notebooks/on paper and post photographs of their work to their class newsfeed on Edmodo or privately via the 'messenger' facility in the app and their teachers will provide timely, effective feedback to move your child's learning on. Teachers will be active on Edmodo to provide teaching and learning support via the 'messenger' facility if you need support between 8:40am – 3:00pm daily.

Finally, I want to express my huge gratitude to our school community, for the support and encouragement you have shown the school in these challenging times.

If you have any concerns or queries, then please do not hesitate to contact us via our social media platforms or email address: admin@tyndaleprimary.co.uk
