Thursday 7<sup>th</sup> January 2021

Dear Parents/Carers,

### **Home Learning Support**

Firstly, can we please thank you for your commitment and hard work in ensuring your child has access to our home learning platform. Daily, we'll be tracking the engagement of all pupils in their home learning as it is vital that your children continue to gain the best chance of success from home and build on the excellent progress they were making prior to the closure.

We understand the challenges you will be facing by home schooling your child so please know that we are in this with you and are here every step of the way to support you and your families. Please find below some ways we can support you:

**Teaching and Learning Support:** Daily, from 8:40am – 3:30pm, staff will be active on Edmodo to provide effective feedback to work that is posted to move the learning on and promote further progress. Staff are also available via the class newsfeed or the private messenger facility to support you in teaching new concepts and knowledge.

**Home Learning Help Desk:** Daily, from 8:40am – 3:30pm, by completing [this form](#) we can offer you a variety of support from accessing your child's Edmodo account, teaching and learning support and any technology difficulties you might be experiencing.

**Home Learning Resources:** Please [click here](#) if you would like to direct your child's learning further than the lessons and resources shared on Edmodo. It is a list of high quality external providers, who offer free learning resources for primary education.

**How to Access Home Learning from Games Consoles and TV's:** We appreciate that when your access to technology is limited, this can be a barrier to your child accessing our home learning platform.

Please find below a handy 'how to guide' which will support you in gaining access to our home learning platform via multiple ways if you don't have enough laptops, phones or tablets in your house.

Please [click here](#) to access the guide, which assists you in launching our home learning platform from a Playstation 3, Playstation 4, Xbox, Smart TV or Smart TV Stick.

Please can we reiterate, we are in this with you and are here every step of the way to support you and your families.

Kind Regards,  
Mrs K Borrill

Tyndale Primary School is proud to be a part of the Greenshaw Learning Trust, which is a charitable company limited by guarantee registered in England & Wales, company number 7633694, registered office Greenshaw Learning Trust, Grennell Road, Sutton, Surrey, SM1 3DY
