

THE TYNDALE TIMES

17th June 2022

Issue 12

Headteacher's update...

I am pleased to introduce you to our new Pastoral Manager, Mr Powell. Mr Powell works full time and is a highly experienced safeguarding lead, who is excited to be joining Team Tyndale and supporting our pupils and families. Mr Powell will be visible around the school site during drop off and pick up, if you would like to introduce yourself or request any support required.

Year 4 recently completed their multiplication check. I want to publicly thank Ms Hyndman for her ongoing hard work in preparing our pupils for the best chance of success in this test. Our pupils' perseverance and visible passion to achieve on the day was inspiring to witness, well done Year 4!

Important news...

We are proud to announce that we will be working in partnership with the Southern Brooks Community Hub. The Community Hub have secured £2,500 of lottery funding, which they would like to spend in collaboration with Tyndale Primary to ensure it has maximum impact in improving the lives of families in our local area.

We would be grateful if you could complete [this anonymous Community Voice Survey](#) as we want to ensure that **your** voices are heard and that the people in **our** community have a say in how this funding is spent.

Please see the upcoming dates for your diary below. We have Academic Review days coming up shortly. We will be in contact with you at the start of next week, with details on how to book an appointment. Remember to check our social media and website for the latest news at Tyndale!

STAR PUPIL – Anaya-Mae Taylor

Anaya-Mae Taylor has been recognised as Star Pupil this fortnight for leading her own stall at the cake and craft sale. She contributed to the success of the event by showing creativity and leadership skills, selling the jewelery she made from loom bands!

Wednesday 29th and Thursday 30th June Yate and Brimsham Transition days for Y6	Monday - Y6 Tuesday - Y4 Wednesday - Y5 Thursday - Y3 Friday - Y2 05.07.22 - Y1

THE TYNDALE TIMES

Governor Award

Livanna Lewis – Year 6

For always showing pride and role model behaviour, encouraging her peers to do the same. Livanna also contributed to the success of the cake and craft sale by helping adults with the stalls.

Tyndale Values Awards

Aspiration Winner

Mia Hersey – Year 3

For wanting to produce her best work. If she doesn't quite finish it to the standard she wants in the lesson, she will ask to stay a while and finish it until she is happy with the quality.

Success Winner

Adam Jamil - Year 4

For working extremely hard in his handwriting and achieving his pen licence. Adam has persevered as he found this quite challenging but used resilience to help him achieve his goal.

Pride Winner

Xander Robers-Doney – Year 2

For taking pride in all of his work. Xander is a conscientious, hard-working member of Year 2 who has worked diligently on his handwriting and now consistently produces writing to a high standard.

Nurture Winner

Callan Clement – Year 3

For always being polite and helpful. He will always open doors for adults, play respectfully and ask people how they are.

Aspiration, Success, Pride, Nurture

Archie Cole, Phoebe Davies, Eva Holliday, Courtney Hooper, Hayden Keating-Bowles, Livanna Lewis, Alyssia Mills, Jaydn Newman, Pola Pietrzak, Maria Rafael, Ashleigh Steele and Lily Watkins

The Best Chance of Success

THE TYNDALE TIMES

Reception:

Reception have started to learn all about 'People Who Help Us' since returning from their break. In the first week the class talked about all of the wonderful people who help them in our community and the class then decided on who they would like to research for the rest of the term. So far, pupils have learnt about paramedics and the incredible work they do. They have made ambulances, become paramedics with their own badges. Reception have also compared the ambulances of the past with that of today in class discussions, illustrations and writing. In maths, pupils are continuing to develop a deep understanding of numbers to 10 and recognising the pattern of the number system by counting past 20.

Year 1:

Year 1 couldn't wait to tell Ms Cox all about their holidays last week and they were so excited to start a brand new topic 'Rio de Vida' for this Summer's term. Year 1 have thoroughly enjoyed learning all about Carnival in Brazil, exploring everything from colours, to animals to music! They even designed their own carnival inspired t-shirts and LOVED adding extra sparkle to them with some of their adults on Wednesday. Year 1 are working so hard on their phonics at the moment, using their sounds to help them with their spellings and showcasing their AMAZING writing skills.

Year 2:

Year 2 finally got to go on their first ever school trip! Ms Bisset was sad not to join them however, the children have had so much fun sharing what they did at Westonbirt Arboretum as well as how much they enjoyed going with Mrs Cain, Ms Hardy, Mrs Rubery and all the kind parent helpers. Since their trip, they have written a detailed recount using noun phrases, conjunctions as well as describing how they felt. In maths, the children have been enjoying learning about statistics and have been making their own tally charts.

Year 3:

Year 3's new topic this term is all about Earth's power and natural disasters. They have focused their writing on setting descriptions, inspired by the beaches of Oregon. This learning has also linked to their other subjects, by making their own volcanoes with lemons and baking soda, discovering what the reaction would be. The pupils have tested their D and T skills, by making and testing catapults to propel objects across the room, out of a few basic items.

Year 4:

Year 4 has started a new Topic all about 'Beneath the Waves'. They have been so excited to learn about the 7 oceans and seas, along with exploring different sea creatures and the layers of the ocean. Year 4 have also completed their Multiplication Check Test, they all tried extremely hard using perseverance, determination and resilience. Ms Hyndman would like to say thank you to her class, for all of their hard work and amazing attitudes towards the test.

Year 5:

Year 5 have started a new topic this term called 'Planetary Pioneers' with 'Jamie Drake's Equation' as the book stimulus. They have asked Ms Smyth repeatedly to read parts of the book to them - fantastic enthusiasm! Year 5 thoroughly enjoyed their architecture workshop delivered by UWE students. They completed different activities related to architecture which encouraged them to think about their future pathways. Very inspiring!

Year 6:

Year 6 have been working hard to write for a range of purposes. They have enjoyed practising their persuasive skills in a 'decision alley'. A highlight this fortnight has been the architecture workshop, where pupils used different build blocks to recreate everyday objects as buildings. It was great to have parents and carers in Wednesday afternoon to join Year 6! The class have been busy preparing for their Leavers assembly, by discussing their favourite memories at Tyndale and practising their song. They have enjoyed voting for their peers in 'most likely to...' awards.

Thank you!

A massive thank you to all the parents and carers that attended our Tyndale cake and craft sale. As a school, we have raised over £300 to develop our outdoor learning area for the children to enjoy. We look forward to more events like this!

Staff Shout Out - Mrs Cain

A huge thank you to Ms Cain for your support leading the Year 2 school trip to Westonbirt Arboretum. Both adults and pupils had so much fun!

Our Fun Fact this fortnight is about our Teaching Assistant - Ms Lang

Fun Fact:

When Ms Lang was younger, she competed for Thornbury county in swimming competitions. She was really good at the butterfly stroke!

THE TYNDALE TIMES

This fortnight in pictures

It's been another fantastic fortnight!

Here are some snapshots to show some of the varied learning experiences...
