

Building Work

The building work has continued this week with the new ceiling being put up in Key stage 1 and new light fittings ready to go in. In Key stage 2, Year 4 and 6 toilets have been stripped and new units ordered. In the Key stage 2 hall, new windows have been put in and cladding replaced. They have started to paint the cladding also this week. The children at Tyndale have been amazing during the start of this work and have taken the changes in classrooms and increased noise levels all within their stride. We are now arranging for Carters (the building firm) to do an assembly on site safety and to give pupils a walk around the building works.

Aspiration: This week has been a busy week for information sharing. We have held meetings to explain the Year 4 multiplication test, Year 1 phonics test, Year 2 SATs and Year 6 SATs.

How Can I Help My Child Succeed in School?

1. Read to or with your child every night.
2. Help your child with his/her homework every night.
3. Do not talk negatively about your child's teachers or about school.
4. Make sure your child is getting plenty of sleep and is ready for school each day.
5. Teach your child to be responsible for their actions and their school work.
6. Stay involved and feel free to contact your child's teacher with any questions or concerns.
7. Ask your child about school everyday and encourage them to discuss the day.

Success: Pupil Voice Results

This week we have asked school council to complete a survey about Tyndale Primary School.

Here are some of the results:

Pride - Dogs Trust

We were pleased to welcome Helen Peake from the Dogs Trust this week– Helen explained the role that the Dogs Trust play in looking after dogs and also re-homing. Helen explained how to behave safely around dogs that we know and those that we don't know. She also ran some workshops for Reception and Key Stage 2. Helen complemented the children at Tyndale about how well behaved they were and how well they listen. Well done Tyndale - you have made me very proud.

Nurture - Breakfast and After School Club

We are currently drawing up a business plan for breakfast and after school club. I am aware with the local facility closing this may cause problems for some working parents and want Tyndale Primary to be able to support your childcare needs. More information will follow once decisions have been finalised.
