Headship Team Update

Today marks the day we close our doors for the end of another year. It's been a truly remarkable year at Tyndale as we end on such a high with so many successes and celebrations to look back on. We are very fortunate to have such dedicated staff and children within our school family with everybody supporting the school on its rapid school improvement journey. The success of this year has put our school in a great position for next academic year with a strong trajectory towards excellence. Thank you to all of our hardworking, loyal staff that have made this possible - go Team Tyndale! This year, we have seen the launch of our new Academic, Behaviour and Character Curriculum which enables us to provide our children with an exceptional education, a professional development cycle for our teaching staff, many experiences

and opportunities for children across the school, a new assessment cycle, pastoral support, celebration and rewards, learning heroes, our EYFS environment, after-school clubs, child societies, a playground project, and so much more!

It's that happy-sad time of year when we say goodbye to our lovely Year 6s, and when teachers say a fond farewell to their classes. We wish you the best of luck Year 6 - you've got this! We are extremely proud of you all.

Thank you to all of our parents and carers who give us so much encouragement and support throughout the year. We never take this for granted, and we are really grateful - thank you so much!

Thank you

We hope you all have a wonderful summer holiday. Remember to keep safe, rest and enjoy having lots of family time over the summer (keeping off those consoles and getting lots of fresh air). There are links within this newsletter of activities that families can do over the summer and a range of holiday clubs to sign up to. Please remember to keep reading throughout the summer and we look forward to hearing all about it when you return in September. Keep safe, have lots of fun and rest! Ms Parkhouse and Mr Crouch

AWARDS

End of Term Awards

SPORT

Kenzie

For supporting demonstrations during PE lessons throughout our lessons this year, and showing good sportsmanship towards his peers.

GOLDEN MANNERS

Sephe

For brightening everyone's day and initiating conversations asking everyone how their day is going. Thank you for making me smile each day!

PERFORMING ARTS

Maisie L

For learning her lines for the production performance with ease, and speaking aloud with fantastic expression and volume

POSITIVITY

Reuben W

Always coming in with a smile on his face, saying 'good morning' and asking how we are. He is full of laughter and jokes to give his friends and teachers happiness.

LEADERSHIP

Zelah

For including all year groups in the playground games she leads to ensure no one is left out.

RISK TAKER

Michaela

For persevering with her swimming even when she had a few setbacks along the way.

KINDNESS

Lola

For always thinking of others before herself and ensuring a safe, positive and caring environment is within the classroom.

READING

Lincoln

For being very resilient in his daily reading and recognising digraphs and trigraphs.

CLASS UPDATES

RECEPTION

What an incredible journey Reception have been on this year! It has been an amazing year from start to finish and the children have learnt so much. Over the last two weeks they have shown such great resilience and confidence, continuing with their learning on minibests and life cycles but also learning their songs and poem for the end of term celebration. I think we can all agree that they have changed both physically and academically and I wish them all the best for Year 1. Thank you for such a wonderful year Reception.

YEAR 1

I can't believe that the children are at the end of Year 1! It has been a busy final couple of weeks and I couldn't be prouder of the resilience and dedication to the learning the children have shown. They have been busy finishing their fact files about our Learning hero Katherine Johnson. Make sure you ask them about what they have learnt! Year 1 have been telling the time to the hour and half hour and have noticed o'clock times on the classroom clock. They finished off this week by completing their own collage version of Vincent Van Gogh's Sunflowers. Have a great summer and I look forward to seeing you all again in September!

YEAR 2

Wow, what an amazing couple of weeks for Year 2 who have all demonstrated incredible resilience, collaboration, ambition and independence. I am immensely proud of all of their achievements - academically and socially. They have endeavoured to be scientists taking accurate measurements, comparisons and observations of their sunflowers in our allotment and have enjoyed learning outdoors. In English, they have been perfecting a report on the SS Great Britain focusing on factual writing and beautiful presentation. They have even made bridges out of cardboard without using glue in DT. I will miss them very much and wish them every success in Year 3!

YEAR 3

What an incredible last few weeks for year 3! They have continued to show great dedication to all of their work and have produced some wonderful work. In art they have taken inspiration from the artist Daniel Mackie to create their own art work of animals and their habitats. Also in science they have been learning all about the body and how it works, from their skeletons to their organs. It has been a great honour to teach them this year and I will miss them dearly! Have a fabulous summer and stay safe!

YEAR 4

Year 4 has had a wonderful couple of weeks of learning. They thoroughly enjoyed their school trip to Caerleon. They learned many facts about the Romans and enjoyed training to become a Roman soldier. Year 4 have had a great year and I have loved teaching them, I will miss them very much. I hope they all have a fantastic, safe summer!

YEAR 5

Year 5 has been very busy. Some of them enjoyed their residential trip and conquered many fears they had throughout their stay. I was so proud to see their resilience and perseverance shining through. They have also completed fantastic end of unit art projects about an animal of their choice from the rainforest. Although I only spent 2 terms with my wonderful Year 5 children, I have loved every second I have spent with them. I am so proud of each and every one of them for the progress they have made and I will miss them very much! Have the best summer.

YEAR 6

Year 6 has been absolutely fantastic - not only the last fortnight, but over the entire academic year! They have made themselves extremely proud, performing their end of year production to the school and to their parents. The Year 6s that attended residential camp had a great time and showed resilience and determination in all activities. The Year 6s that stayed at school enjoyed learning about Climate Change and what they can do personally to help the planet. We wish them the best of luck for secondary!

We will miss you!

Good Luck!

Staff Shout Out

Ms Luxton and Ms Dingle

Thank you for all of the support you have provided for our school and children. We wish you the best of luck with your new adventures and hope to keep in touch.

THANK YOU!

Staff Fun Fact

This fortnight's fun fact is about Ms Rubery (Pastoral Support Leader).

For the last 5 years I have applied to run the London Marathon and currently waiting to here if I got a place for next year.
