Headship Team Update

We led our first ever lower KS2 Residential Trip last week. Year 4, you made Tyndale history being the first pupils to go on this trip! The trip was successfully led by Miss Hyndman with the help of Mr Crouch, Miss Thomas and Miss Frost - thank you. The group set off last Thursday morning to one of our other GLT schools in Plymouth -

Montpelier Primary School, where they stayed the night. Before heading to the school they went to the beach for games and ice cream and the weather was beautiful luckily! We'd like to publicly thank our colleagues in Montpelier Primary School for being such fab hosts and of course, our Assistant Primary Director, Mrs Hunter for giving us the great idea! A fantastic trip had by all. This will now remain on our 'Cultural Capital' map so each year we will offer a residential trip annually for years 4 - 6.

SUPPORT

We hope you have a fantastic half term. For those families who celebrate Easter, we hope you enjoy the sweet treats! Please visit our 'How We Can Support You' pages if you find yourself in need of support over the break. We look forward to seeing you all back at school on Tuesday 16th April.

CLASS UPDATES

RECEPTION

What a fantastic half term this has been for Reception! They have used their developing phonics knowledge to write some beautiful fact files on nocturnal animals. In maths they have mastered adding two numbers together, odds and evens and double numbers using tens frames and part part whole models. They have learnt all about spring and signs of spring including baby animals and their habitats, nocturnal animals and have created some beautiful owl, fox and sunrise and sunset art work.

YEAR 1

Wow Year 1, what an incredible first term they have spent together. Year 1 have shown an incredible amount of resilience, ambition and collaboration in all of their learning. They have produced fantastic end pieces of work in their English writing their own version of 'The Three Little Pigs' and have loved learning about doubles in maths. They have worked so hard throughout this term, well done Year 1. Have a wonderful half term!

YEAR 2

As we come to the end of another term all I can say is WOW! They have shown fantastic resilience and skill in using multiplication and division to solve word problems. They have started their learning about money in Maths and in English they have been using apostrophes to show possession. They have created informative letters written in the first person to share their understanding of The Great Fire of London. In science they have carried out different experiments to deepen their understanding of solids, liquids and gases.

YEAR 3

What an incredible term it has been year 3! They have shown such outstanding dedication to all of their work and it has been wonderful to see. They have officially completed their first unit on fractions and are now starting their units of scale! In English they have created fact files about volcanoes which have been terrifying to read! Well done year 3!

YEAR 4

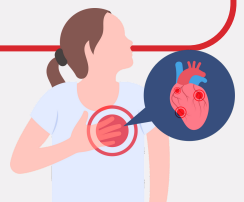

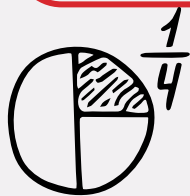

Wow! What a great two weeks of learning Year 4 has had. They showed resilience and ambition on their residential to Plymouth by showing their very best selves! They also enjoyed learning about compositions in art, focusing on how to place different objects and how to sketch using various tones and shading. They have also created great news reports all about flooding using language features such as conjunctions, fronted adverbials and adverbs of quantity. Have a lovely Easter Year 4!

YEAR 5

Go Year 5! Year 5 and shown great resilience this term. Working harder than ever and trying their best in everything that they're doing. They have been learning lots about vikings and showing lots of interest and enthusiasm around this. They have excelled in their writing and have made some impressive collages in art. We cant wait to see what you bring next term. Well done and keep up the hard work. Have a fabulous Easter!

YEAR 6

Year 6 has been working incredibly hard as always. They have written fantastic balanced arguments about xenotransplantation in Writing lessons and have enjoyed revising key areas of Fractions, Decimals and Percentages in Maths lessons. The children thoroughly enjoyed their Easter Hunt at The Meadows and the Easter Craft workshop in class. Have a great Easter break Year 6, you definitely deserve it!

Staff Shout Out

Ms Hyndman, Ms Thomas and Ms Frost

A huge thank you for supporting the Year Four Residential to Plymouth! We are only able to provide these experiences and opportunities to our children because of our dedicated staff that are willing to go above and beyond to make it happen! Thank you very much!

THANK YOU!

Staff Fun Fact

Ms Bridge (Teaching Assistant).

I always wanted to be a dolphin trainer, but got older and decided I didn't like water. When that dream was no more I wanted to be a forensic scientist.

SPOTLIGHT ON SEND

A graduated approach

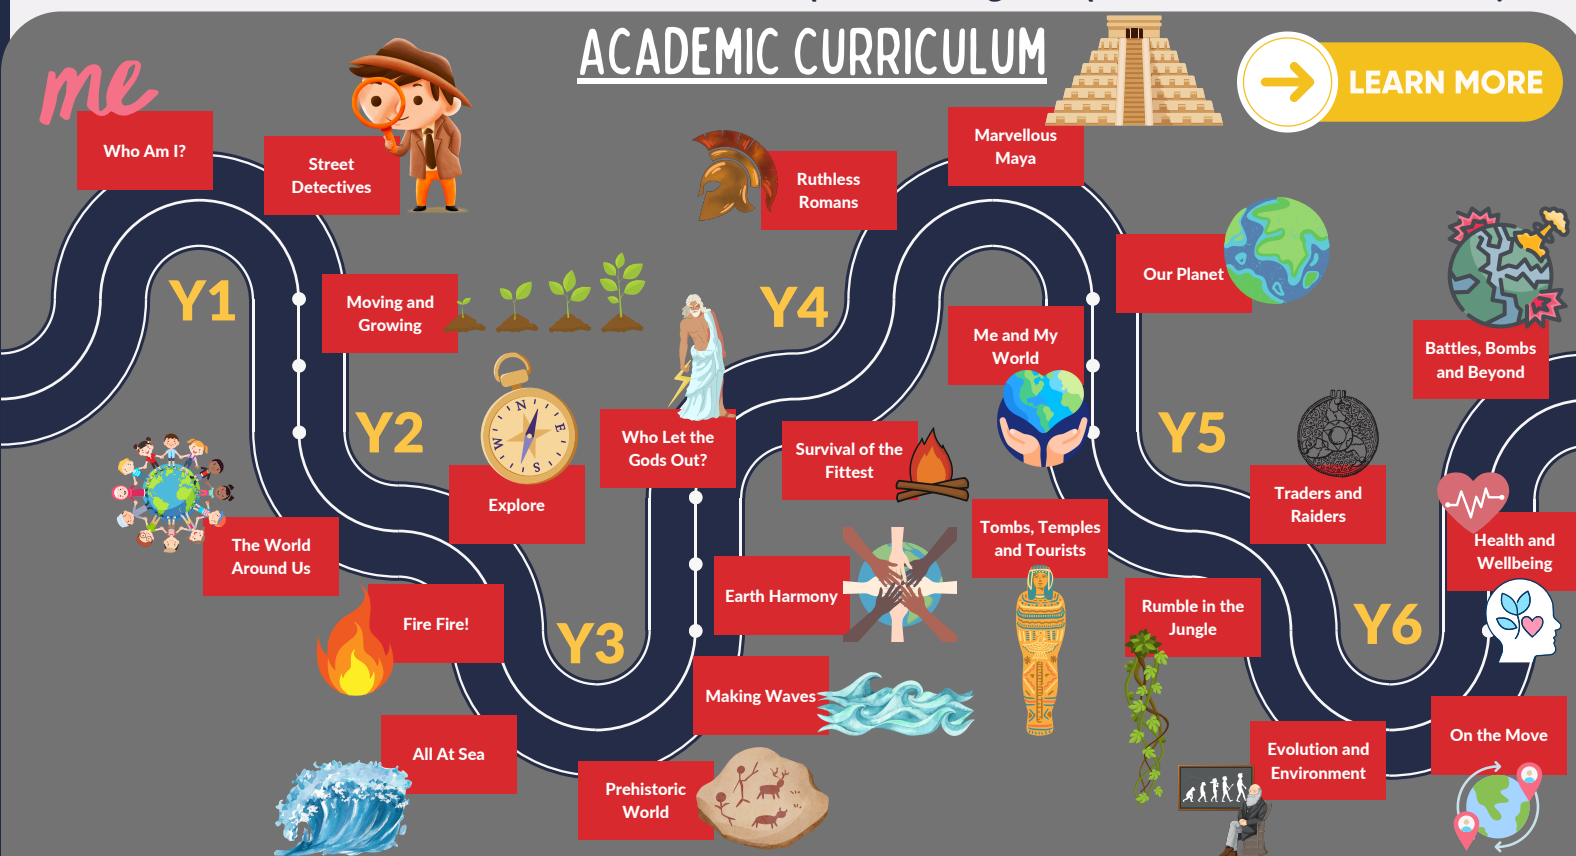

South Glos Parents and Carers group have created a short video which summarises our approach well

<https://www.youtube.com/watch?v=xqF7iCX7zzE&t=55s>

If you would like more information on our graduated approach to SEND at Tyndale Primary School, then please arrange to speak to our SENDCo, Ms Smyth

ACADEMIC CURRICULUM

In term five, children are learning the themes below. Our academic curriculum is knowledge-based and Science, History, Geography, Art, and Design Technology are taught through themes.

Year Reception - People Who Help Us

Year One - Moving and Growing

Year Two - All at Sea!

Year Three - Who Let The Gods Out?

Year Four - Me and My World

Year Five - Rumble in the Jungle

Year Six - Battles, Bombs and Beyond

Cost of Living Spring Toolkit

Delivering for you

Fun activities to try in **spring**

Family fun this spring doesn't need to be expensive. There are plenty of affordable adventures to be had right on your doorstep. Here are some tips to help.

Explore the great outdoors

There are many wonderful places to explore in South Gloucestershire, including the Bristol and Bath Railway Path, Wapley Bushes Nature Reserve and Willsbridge Mill. Find out more at:

www.southglos.gov.uk/tourism

Enjoy an Easter egg hunt

Decorate hard-boiled eggs with glitter, felt-tip pens and coloured fabrics, then hide them around the house and garden. Create a map and write some clues to help with the hunt.

Look out for cheap meal deals

Many restaurants and supermarket cafes have free kids meals or 'kids eat for £1' deals on during the school holidays.

Lace up your running shoes

With the weather warming up, spring is a great time to get outdoors. Parkrun is a free, community event where you can walk, jog or run 5k. Junior Parkrun is 2k and is dedicated to 4-14 year-olds and their families. More information here:

www.parkrun.org.uk

Cost of Living Spring Toolkit

Delivering for you

Visit your local library

There are lots of free, fun activities for families to enjoy at South Glos libraries during the holidays. For more details visit:

beta.southglos.gov.uk/holiday-activities

Visit a museum

Kingswood Heritage Museum has a variety of displays for the whole family and children under 12 get in for free. For more information visit:

www.southglos.gov.uk/tourism

Check out Grimsbury Farm

There are lots of farm animals to meet including sheep, goats, pigs and rabbits. The farm is free to visit and has a picnic area, café and playground. Visit:

www.facebook.com/Grimsbury.Community.Farm

i For more money saving tips and financial support information visit:
